A 401(k) Owner's Manual: Your Guide To the 401(k) Employer ...

In simplest terms, a 401 (k) is an account - like a savings account - that you put money into for the purpose of having that money to use when you retire. You put money in now, it grows over time, and then you can take that money out in bits and pieces when you retire. That's all it is. So, why do you need a special account for that?
