Blood River, Tim Butcher's account of his travelling the Congo river in a 21st century recreation of Stanley's journey, has plenty of interest. There is a brief history of the Congo; an introduction to Stanley's journey & its legacy; a brief examination of the implications of colonialism; an astonishing & gruelling personal journey; & vignettes of people he meets during that journey.

Blood River: A Journey to Africa's Broken Heart by Tim Butcher

I just finished reading both this and Jeffrey Tayler's Facing the Congo: A Modern-Day Journey into the Heart of Darkness, which describes a similar journey. The two books are quite different in their approaches to the material, but they lend themselves to comparison, and on the whole, this book, Blood River, comes out ahead.
