Catastrophic Care: How American Health Care Killed My . . .

About Catastrophic Care. In
2007 David Goldhill's father
died from infections
acquired in a well-regarded
New York hospital. The bill,
for several hundred thousand
dollars, was paid by
Medicare. Angered, Goldhill
became determined to
understand how it was
possible that well-trained
personnel equipped with
world-class technologies
could be responsible for
such inexcusable
