This is probably the most famous of all of the guitar learning books, and comes with a price tag of around \$13 right now. This Hal Leonard guitar book is actually a series of 3 books, each around 50 pages, and it comes with 3 supplemental CDs which you can refer to during the chapters. I would recommend this book to younger students (under 20). It is ultra simplistic, which can be nice in some instances, but a bit boring in others.
