The Department of Public Works is responsible for the engineering as well as maintenance and improvements to the Town's infrastructure. DPW consists of five divisions: Highways , Engineering , Street Lighting , Sidewalks , and Fleet Management.

Town of North Hempstead - Public Works/Highways

According to Paul Wright, a mechanical engineering professor at the University of California, Berkeley, a number of things happened in the last 10 years that are making it possible for more people to create and build their own one-of-a-kind creations.
