How to write a character with DPD/MPD : writers

Focus on two or three specific, strong qualities you know the person has. Try to think of traits that would make them a good fit for the job or the school in question. If the letter is for a potential employer, take a look at the job listing or similar listings for a sense of what the employer might be looking for.

Character Reference Letter Sample

Introduce him early, by name. The biggest mistake new writers make is introducing their main character too late. As a rule he should be the first person on stage and the reader should be able to associate his name with how they see him. Naming your character can be almost as stressful as naming a newborn.
