I have read Ice and now Ice Genesis and really enjoyed both. I enjoy this kind of book (tying in history and legend with a great story to go with) and it delivers an enjoyable mix. It kept my attention and I think accurately describes the political issues that would come with this kind of discovery and how the politicians would make it difficult to appreciate and benefit from it.

Ice cores from Kilimanjaro's summit seem to provide evidence of the truth of an ancient Bible story. After ice was taken from Mount Kilimanjaro in 2000, scientists set to work analyzing the valuable samples. When they investigated what had been taken from the famous landmark, however, the experts found something entirely unexpected - and completely...
