13. Some of the arguments which might be used are outlined below:(1) Cost is definite and reliable; other values would have to be determined somewhat arbitrarily and there would be considerable disagreement as to the amounts to be used. (2) Amounts determined by other bases would have to be revised frequently.

One type of accounting change results when a company adopts a different accounting principle. Changes in accounting principle include a change in the method of inventory pricing from FIFO to average cost, or a change in accounting for construction contracts from the percentage-of-completion to the completed-contract method.
