## **Unanswered Question**

The Unanswered Question is a musical work by American composer Charles Ives. Originally paired with Central Park in the Dark as Two Contemplations in 1908, The Unanswered Question was revised by Ives in 1930–1935. As with many of Ives' works, it was largely unknown until much later in his life, and was not performed until 1946.

## **Charles Ives - The Unanswered Question - YouTube**

Ives viewed Emerson as rising "to almost perfect freedom of action, of thought and of soul, in any direction and to any height." Frequently labeled "program music," The Unanswered Question is more aptly described as a piece of philosophy expressed in music. In the foreword to the score, Ives outlines the conceit of the work as dealing with humanity's "perennial question of existence."

Ives, The Unanswered Question. I have inserted Charles Ives's The Unanswered Question this week into the sequence of performance picks that I had planned. Somehow, unanswered questions seem appropriate at the moment, but I will leave it at that and let you make of it what you will. Ives (1874-1954) wrote the work originally in 1908 and then revised it in the 1930s.

most well known version. The premiere performance of "The Unanswered Question" (Version 2) occurred on May 11, 1946.

## **Charles Ives "The Unanswered Question" Notes**

The Unanswered Question is one of the Ives' most familiar and admired works. Because it's so familiar you might do a double-take when you hear it on Track 5. The CD booklet says the performance uses the 1934 Peermusic edition (which I believe was reprinted by Southern Music in 1953).

## Where To Download Ives The Unanswered Question

showstopper, The Unanswered Question, is famous for its parallel themes that clash--one tonal, one atonal. This version of Question would be enough to recommend the disc, but what's even more interesting is Elliott Carter's Concerto for Orchestra. It's as if Carter wanted to write a concerto for orchestra as if Ives might have done it had he still been alive.
