Manual-Transmission-Gear-Shifter-Parts-Kits—Allstate—

This comes down to the wearing of several parts, like bushings and shift forks. But if you replace those elements with new, fresh, stiffer parts, you could get that satisfying, notchy, rifle bolt feeling back every time you shift. But the play in the shift lever isn't the only part of a manual shifter you can improve upon.

Hurst Manual Shifters The industry standard for over 50 years and universally recognized as the "go-to shifter" once you glance in the car and see that chrome stick and white shift ball. Today the legacy continues, with the iconic line of Competition Plus shifters, and the line of short throw BilletPlus shifters for modern performance cars.
