Certify :: Autodesk Certifications :: Certipoint

I've taken four Revit pro certifications and also been the examiner/overseer for about 100 of our customers doing the Revit Architecture certification (we don't have a MEP certification over here). The most common trouble is the English used in the test - not really the questions themselves.

~~Revit professional certification exam~~
Pick the Revit Exam which suits your profession the best (you could always do all of them, but maybe start with the discipline which you feel most comfortable with). The general “ word on the streets ” is that the Revit MEP exam is the hardest one opposed to Architecture and Structures.
