Because The Red Circle is about the life and career of one Navy SEAL sniper—but underneath that, what it's really about is excellence, leadership, commitment, perseverance, devotion, and the unshakable belief that if you throw yourself into it—heart, mind, body, soul—you can achieve the impossible.

The Red Circle | John David Mann

Life is represented as a circle because it is a constant loop. People are constantly born and are constantly dying. There is a spiritual element to the circle, however, in the idea that the end of one existence is not necessarily the end of life altogether. Many religions and philosophies believe that through a certain life path, another life (usually a better one) awaits after humans leave this one.

What Is the Meaning of the Circle of Life?

The Red Circle is working on changing that: We want to create a world in which we're competently there for each other. Just as we learn how to treat a physical wound or to change a broken tire, psychological literacy is essential to get through life and to build and maintain strong bonds with friends, families, communities, and the workplace.
